

SUPPLIER PARTNERSHIP

elevating sponsorship to a new level

ASA is proud to present a sponsorship program designed to better recognize the year-round support sponsorships provide to the Association.

Each sponsorship provides ASA with income that funds a specific event, as well as many other areas that are crucial to successful programming throughout the year. The **Supplier Partnership** rewards companies by providing year-round visibility and recognition that targets all of the ASA Membership.

WE THANK OUR

2011 SUPPLIER PARTNERS*

FOR THEIR DEDICATION & SUPPORT
